Vernon, Washington  
Waukesha**

Do Not Move Firewood  
or Other Ash Products  
From These Counties

## Questions?

**Ask property staff or call 1-877-303-WOOD.**

**Please don't move firewood. Buy it where you use it.**

Many counties and campgrounds restrict firewood to protect their properties. Call your destination for details or better yet, leave the firewood at home. Buy it where you'll use it instead.

Hardwood firewood that was harvested, purchased or stored in a quarantine county may not leave the area unless certified by WI DATCP (certification for manufacturers only).

To legally transport firewood **THROUGH** the quarantine area, do not stop in the area unless you need to refuel your vehicle.
