<input type="checkbox"/>	<input type="checkbox"/>	18. Nature study/ wildlife observation/ photography
<input type="checkbox"/>	<input type="checkbox"/>	19. Other activities (describe):

Describe any public input or public process related to the proposed project, including partnerships relevant to the project:

NOTE TO APPLICANT: You **MUST** provide descriptions of the activities listed below that are available on the subject property, **and** provide reasons if the activities listed below are not available or are otherwise prohibited or restricted on the subject property. Discussion should be in the context of balancing all public uses planned for the property and with uses on any surrounding land already owned in the project. Attach a **plat map** identifying the specific property to be acquired with this grant. If the Land Management Plan for the larger project conflicts with this document with regard to allowable public uses, this form will be the official documentation for uses of this specific property.

Hunting: Describe in detail gun and bow hunting opportunities that will be available in the following categories: waterfowl, small game, turkey, and big game. Include beginning and ending dates or other time restrictions for activities in each category. If there is no restriction beyond state regulation, please indicate this in your description for each activity.

Categories	Activity Available Gun (Yes or No)	Activity Available Bow (Yes or No)
Waterfowl		
Small Game		
Turkey		
Large Game		

- No ordinances currently restrict this activity.
- If an ordinance(s) will restrict or prohibit this activity check the box and attach a copy of the ordinance.

Trapping: Describe in detail water and upland trapping opportunities that will be available on the property. Include beginning and ending dates or other time restrictions for both water and upland trapping. If there is no restriction beyond state regulation, please indicate this in your description for each activity. Describe and time and space restrictions that may apply to trapping.

Location	Activity Available (Yes or No)
Upland	
Water	

- No ordinances currently restrict this activity.
- If an ordinance(s) will restrict or prohibit this activity check the box and attach a copy of the ordinance.

Fishing: Describe in detail shore and boat fishing opportunities that will be available on the property. Describe any time and space restrictions that may apply to fishing. If there is no restriction beyond state regulation please indicate this in your description of each activity.

Method	Activity Available (Yes or No)
Shore	
Boat	

- No ordinances currently restrict this activity.
- If an ordinance(s) will restrict or prohibit this activity check the box and attach a copy of the ordinance.
