Governor Dodge State Park Winter Trail Guide

Ski Trails

Lakeview Ski Trail is a 1.25-mile loop trail designed for less experienced skiers. The trailhead is at the Cox Hollow beach picnic area. Less experienced skiers may wish to walk down the first grade and start skiing on the opposite side of the first bridge. The trail is wooded, offers a few hills, a secluded valley and a nice view of Cox Hollow Lake. (Ski time: .5 hour) *Classic*.

Gold Mine Ski Trail is a 2.5-mile loop designed primarily for less experienced skiers. The trailhead is about .4 mile west of the Twin Valley Campground entrance. The trail meanders through a variety of woods and meadows without encountering the steeper grades that other trails provide. Follow the yellow trail markers. (Ski time: 1 hours) *Classic*.

Mill Creek Ski Trail is a 3.3-mile loop trail that begins at the Cox Hollow beach picnic area. The trail winds through meadows and wooded valleys. It provides spectacular views of both Cox Hollow and Twin Valley lakes. You will encounter several steep grades, but the majority of the trail is quite level. This trail also provides biking and hiking access to the Military Ridge State Trail. (Ski time: 1 hour) *We try to maintain this trail for skate skiing.*

Meadow Valley Ski Trail is a 6.8-mile loop trail that begins at the Cox Hollow Beach picnic area. The trail is more difficult than the Mill Creek trail due to its length and steeper down grades. The trail follows along the ridge of the Lost Canyon and passes through open meadows and wooded ridges. (Ski time: 2.5 hours) *Classic*.

Lost Canyon Ski Trail is a 8.1-mile loop trail that starts at the Cox Hollow beach picnic area. The trail is rated "advanced" due to several steep grades and trail length. This trail is mostly wooded and passes through the scenic Lost Canyon, Stephens Falls, and Twin Valley Lakes areas. (Ski time: 3 hours) *Classic*.

Hiking Trail

Pine Cliff Nature Trail is a wooded 2-mile self-guided loop trail which begins and ends at the Enee Point picnic area. Nature labels interpret area history, wildlife, vegetation, and ecology. While hiking the trail you will encounter several steps, steep grades, and rocky surfaces. Hikers will enjoy the scenic views above Cox Hollow Lake and the hike along the lake shore. Follow the green trail markers. (Hike time: 45 minutes to 1 hour) *Note: No pets allowed on this trail.*

Snowmobile Trail

The **Snowmobile Trail** is a 15.3-mile loop trail that winds its way through some of the most scenic and remote areas of this 5,270 acre park. The trail is maintained for snowmobilers, horse riders, and hikers. At the southeast corner of the park, there is a snowmobile access trail that connects with the 39-mile Military Ridge snowmobile trail. (Snowmobile time: 1.5 hours).
